

#1 To Assemble Wheels:

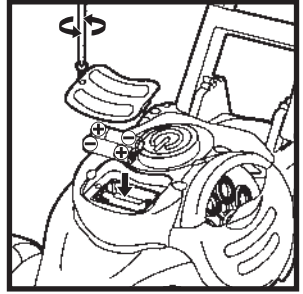

Press each wheel into main body until they lock in place.

#2 To Assemble Handle:

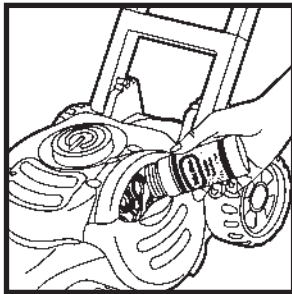

Press upper part of handle into lower part until it locks in place. Insert end of assembled handle into the corresponding holes in back of main body, and lift handle up until it locks in place

#3 To Install Batteries:

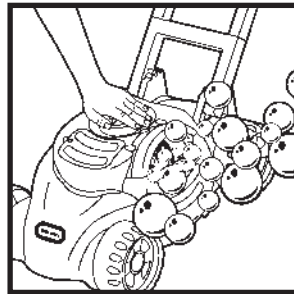

Use a screwdriver to remove the cover. Install 2 AA batteries in correct orientation as shown inside the compartment. Replace battery compartment cover and screw to close. To ensure best performance, install fresh AA alkaline batteries.

#4 To Fill:

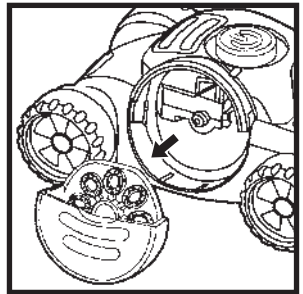

Remove cap and seal from your 4 fl oz (118mL) Little Tikes® bubble bottle. Pour solution slowly directly into the bubble compartment. Monitor fill level and stop pouring once it is 3/4 full.

#5 To Play:

To start blowing bubbles, press the large power button on top of the mower. **NOTE:** It may take a few seconds for the bubbles to start blowing. Bubbles will blow even if mower is standing still. To stop simply press the power button a second time.

#6 To Store:

To drain bubble solution, pull out the bubble tray. Rinse the tray and bubble wands with cold water. Towel dry and insert back into the Bubble Mower.

HELPFUL HINTS!

1. Make sure you always have enough Little Tikes® bubble solution to fill your Bubble Mower.
2. Bubble Mower works best with Little Tikes®, Miracle® Bubbles, or Super Miracle Bubbles® solution.
3. Be patient. For tons of bubbles you must allow time for solution to fully coat the bubble wand.
4. To ensure best performance, always make sure to replace batteries with fresh AA alkaline batteries at the first sign of wear.
